*Annual Report 2023 -2024*

## **VISION**

True to the vision of St. Magdalene, we at Canossa CBSE desire to promote, support and protect the dignity of every child and implant in him and her, a thirst for discovering the goodness of God through the formation of the Heart.

## **MISSION**

Guided by the spirit of the Crucified Christ and deeply inspired by the teachings and virtues of our Foundress St. Magdalene, we aspire to bring about the total integration of the human person through a preventive, promotional and personalised education so that our students become God-centred, person-oriented, value-oriented and life-oriented Agents of change
